Pink Tee Releases a New Golf Gifts Line

= Golf Gift Ideas That Are Personal, Functional & Affordable =

Pink Tee, Inc today announced a new line of golf gifts geared towards women golfers. With the holiday season upon us, the line comes just in time to fill the need for quick and affordable gift ideas.

"When we introduced the Pink Tee Pouch at the Fall PGA show, we received a flood of positive feedback from buyers who were looking for small, affordable and unique golf gifts for women, like the tee pouch. I think we have pulled together a gift line that meets this need. We pulled together products that had personality, functionality and were still truly affordable for our buyers in a time when affordability is a priority", said Amy Wisheart, co-owner of Pink Tee, Inc.

The Golf Gifts line includes unique women's golf gifts such as crystal ball markers, ball marker-earring sets, satin tee pouches and golf inspired jewelry. Styles include holiday inspirations, floral designs, hearts, crowns and more. The line also includes pink ribbon designs. Pink Tee will donate a portion of the proceeds from the sale of their pink ribbon products to the support breast cancer research.

Prices range from \$6.00-\$28.00 and can be found on www.pink-tee.com. Discounts are available for bulk or tournament purchases. Shipping is free for any purchases over \$75.00. Gift wrapping is available upon request. Gifts ordered by Dec 17th are guaranteed delivery before December 25th.
